*deluss: eat well, pay little  
it's the italian way*

Often the English language doesn't quite cut it when communicating our love of food. That is why we have turned to the Naples dialect and taken inspiration from an old Neapolitan concept. The word and name of our new set menu is **Deluss**.

There is no direct translation but in essence, it means to eat well and pay little. Our Deluss Menu is available Monday to Friday and offers a deluxe dining experience where the only compromise is the price.
